

Delicious Food Company

Menu

We serve both Chinese and Western style of food to suit the majority in need. Daily set dinner is set up to 5 dishes and the choice is various from day to day. Besides, the typical noodles in soup is complemented by wide range of side dishes to meet with the customer's favour.

We regularly review and modify our menu based on needs, such as the arrangement of the homeland meals for the oversea students, i.e. Indonesia Laksa and Korean Kimchi styles.
